

WORKER'S COMPENSATION RECOVERY EXPERTS

About Us

Park Dansan is a proven leader in Worker's Compensation claims recovery. Armed with a wealth of experience and expertise, our team of recovery experts held prior key positions in the insurance industry. Their skills, coupled with Park Dansan's resources and comprehensive training, provide clients with the most advanced recovery strategies and processes in existence today.

The Hassle and the Reward

Accurately following and recovering a Worker's Compensation claim is labor-intensive and requires consistent internal staff resources. And, when compared to other lines of reimbursement, Worker's Compensation is relatively minor. Consistent recovery of these claims, however, can significantly enhance your organization's bottom line. In these economic times, it makes good business sense to focus internal staff toward more profitable reimbursement streams and let Park Dansan maximize your Worker's Compensation claims recovery.

Why Park Dansan?

Park Dansan is keenly focused on Worker's Compensation recovery. We take the burden of Worker's Compensation recovery off of the internal staff, leaving them to be directed toward more profitable reimbursement streams.

- No Up-Front Fees
- Advanced Technology
- Enhanced Communication

Park Dansan's proven strategies enable a payment rate of over 96% of placed claims!

The Difference

Park Dansan goes the extra mile to ethically maximize your Worker's Compensation recovery. We provide individual attention to each claim placed, and provide documentation of all recovery efforts. The end result is a low-cost and very profitable addition to your Patient Financial Services Department!

Our Process

Although the recovery process we use is complex, our interaction with your organization is not. Simply stated, we work every claim to resolution.

It's a Winning Decision

Park Dansan's services and results are technically superior and significantly more client-focused than other internal or external programs. Because our success is based upon the success of your recoveries, we are motivated to recover your claims in the most rapid and effective manner possible.

If your existing internal or outsourced external efforts are not at their maximum potential, we would welcome the opportunity to discuss our partnership approach in maximizing your Worker's Compensation recoveries and profitability.

Efficient and Profitable Solution for Capturing Revenue.
